

HISTORY AND STAFF

McC Campbell Analytical, Inc. (MAI) was founded in 1991, and through excellence in quality and service has grown to over 60 employees and 40 major pieces of instrumentation situated in 32,000 square feet of work space.

We are California State certified [Environmental Laboratory Accreditation Program (ELAP)], DHS #1644, and we are applying for NELAP certification in 2009. Upon request, we would be willing to undertake NISA & USACE military certifications and have the guidance of a specialist available. We are currently progressing towards level 3 & 4 data packages.
